

Grant No. ____

2010 HUNTING HERITAGE PARTNERSHIP PROGRAM

GRANT CONDITIONS ACKNOWLEDGEMENT AGREEMENT

This Grant Conditions Acknowledgment Agreement (“Agreement”) is made _____, 2010 between the National Shooting Sports Foundation, Inc. (“NSSF”), a tax-exempt Connecticut nonprofit corporation, 11 Mile Hill Rd., Newtown, CT 06470-2359, and _____ (“Grantee”), _____.

The NSSF, in collaboration with the Congressional Sportsmen’s Foundation (“CSF”), has established the Hunting Heritage Partnership (“HPP”) to provide direct grant funding to qualified state wildlife agencies and regional fish and wildlife associations specifically to enhance hunter recruitment and retention. The HPP recognizes that state wildlife agencies and regional fish and wildlife associations across the United States provide the “gateway” to hunting for a large majority of hunters. Through HPP funding, many agencies and associations can pursue campaigns strategically designed to increase hunting opportunities within their borders and, ultimately, rejuvenate hunter participation nationwide.

The NSSF has awarded Grantee funds to create, coordinate and administer the program “_____” (“Program”), as more fully described in Grantee’s grant proposal (“Grant Proposal”) attached hereto as Appendix A.

Grantee expressly acknowledges and agrees to comply fully with the following terms and conditions in connection with the acceptance of this grant (“Grant”):

TERM

1. This Agreement shall commence on the date last executed by both the NSSF and Grantee and shall expire on March 31, 2011 (“Grant Period”). Grantee’s Program must be completed by March 2, 2011.

USE OF GRANT FUNDS

2. Grantee is awarded the total amount of \$_____ to pursue its Program. Upon receipt of a signed Agreement from Grantee, NSSF shall disburse 50% of the funds to Grantee. The remaining 50% of the funds shall be disbursed to Grantee within a reasonable time following NSSF’s receipt and satisfactory review of both Grantee’s progress and final written reports (See, Paragraphs 10 and 11 herein).

[THE AMOUNT OF FUNDING AND TIMING OF GRANT DISBURSEMENTS SHALL BE AT NSSF’S SOLE DISCRETION.]

3. Grantee agrees that all funds it receives under this Grant shall be used exclusively for the purposes specified in Grantee's Grant Proposal as approved, unless otherwise provided by law.

Grant funds shall not be used for any unrelated, unnecessary or indirect expenses (e.g. salaries, overhead, office supplies, etc.). NSSF shall have final approval on what may or may not be an appropriate expense.

4. Grantee shall notify NSSF in writing of any significant changes regarding the use of funds or any modifications to scheduled Program events and/or activities as originally proposed by Grantee in carrying out the intentions of the Grant. Any changes regarding the use of funds or any modifications to scheduled Program events and/or activities are subject to the prior written approval of the NSSF.
5. Grantee hereby warrants that all activities performed in connection with Grantee's Program under this Agreement will comply with all applicable federal, state or municipal laws, statutes, codes, circulars or other governmental restrictions.
6. At all times during the Grant Period, Grantee shall maintain current records to accurately account for funds it is awarded. These records shall identify the disbursement of Grant funds and expenditures by Grantee, complete with substantiating documents including but not limited to bills, invoices, cancelled checks and receipts. Any and all records maintained by Grantee in connection with the Grant are subject to inspection by the NSSF upon reasonable written notice to Grantee.

OPERATIONS AND REVIEW

7. Grantee expressly acknowledges that the NSSF will not have any direct or indirect supervision or control over Grantee's Program or spectators of or participants in Grantee's Programs. In the event that Grantee's Program incorporates the use of firearms or involves activities that could result in bodily injury or death or other loss, Grantee shall ensure that proper supervision and safety procedures are followed at all times. The Grantee shall name "The National Shooting Sports Foundation, Inc, and its affiliates" in any liability waiver and release Grantee disseminates in connection with its Program.
8. Grantee shall acknowledge the contribution of the NSSF to Grantee's Program by conspicuously including the "Hunting Heritage Partnership" logo and the following statement in all Grantee issued Program press releases, signage, brochures or other public communications:

"This project is supported by the 2010 Hunting Heritage Partnership, a grant program of the National Shooting Sports Foundation, Inc."

9. NSSF may, at its own expense, periodically monitor and conduct an evaluation of the Grantee's Program. Grantee agrees to fully cooperate with NSSF and provide all necessary assistance in connection with such evaluation.

PROGRAM REPORTS

10. Midterm Progress Report: Grantee shall furnish the NSSF with a written progress report regarding Grantee's Program (including copies of any advertisements, press releases, brochures or other promotional materials created and used in connection with the Program). Grantee's progress report must be received by the NSSF no later than **5PM (ET) October 1, 2010**.
11. Final Report: Grantee shall furnish the NSSF with a written final report regarding Grantee's Program (including copies of any advertisements, press releases, brochures or other promotional materials

created and used in connection with the Program). Grantee's final report must be received by the NSSF no later than **5PM (ET) March 11, 2011**.

Grantee's Midterm Progress Report and Final Report shall, at a minimum, provide detailed responses to the questions found in Appendix B attached hereto. **Failure to submit written reports or other required documentation in a timely manner could, at NSSF's sole discretion, result in suspension, reduction, termination of Grantee's funding and/or disbarment from receiving future HHP grant funding.**

REVERSION AND TERMINATION OF GRANT

12. NSSF may, at its option, suspend and/or terminate the Grant, reduce the amount of funds awarded to Grantee, recover any unexpended funds, and/or refuse to fund Grantee in future years, if Grantee fails to comply with any of the provisions of this Agreement or, if in NSSF's sole judgment, Grantee becomes unfit or unable to complete the Program as described in Grantee's Grant Proposal within the Grant Period.

SPECIAL CONDITIONS

13. Grantee shall grant to NSSF the nonexclusive, royalty-free rights, including the non-exclusive, royalty-free rights in copyright, to reproduce, publish or otherwise use, and to authorize others to duplicate or use, any Program materials developed by Grantee under the Grant, including Grantee's Program proposal, in whole or in part, without further compensation to or recognition of Grantee, its representatives or contractors.
14. The NSSF and Grantee agree that in the event of any conflict or inconsistency between this Agreement and Grantee's Grant Proposal (Appendix A), this Agreement shall prevail.

IN WITNESS WHEREOF, the parties, by their duly authorized representatives, have executed this Agreement and agree to its terms and conditions.
